

University High School
Track & Field School Records Research Project

(By Rich Perelman, ATFS • As of 2/01/2016)

The following list is an ATTEMPT to compile the best outdoor marks made by University High School track & field athletes. There is reasonable confidence in the Boys marks, but not for most of the Girls marks.

Unfortunately, good reference materials on Uni athletes, such as end-of-season best-marks lists, scorebooks, City prelims and finals results and City-wide best-marks lists were not available. A review of State Meet results for Uni competitors was made and marks included where found.

Only fully-automatic times are shown in 100ths of a second; marks originally hand times are NOT converted.

PLEASE send amendments to Rich Perelman at rperelman@perelman-pioneer.com. Thanks in advance!
